Performance, Right Down the Line

Dispensing systems that work hand in hand with our paper for maximum performance, sustainability and savings.

The Cascades PRO Tandem™ Interfold Dispensers, feature one napkin at a time dispensing, resulting in a 25% reduction in consumption and waste compared to traditional napkin dispensers. With their sleek design and translucent cover, these dispensers will fit seamlessly into any décor and will make it easy to monitor napkin levels and determine when it's time to reload. Designed to reduce waste and costs for the retail and food service markets.

AREAS OF USE: Cafeterias, breakrooms, quick service restaurants, convenience stores, movie theaters.

- **One napkin at a time**
Better controls the quantity of napkins taken by patrons, reducing waste and cost for restaurant owners by up to 25% compared to traditional napkin dispensers.
- **Translucent cover**
Quick refill check – can easily see if refill is needed without opening the dispenser.
- **Advertising window**
Promote specials and events, brand your business, or even sell ad space! The possibilities are endless.
- **More environmental**
Cascades PRO Perform™ Interfold napkins are made of 100% recycled fiber and exceed EPA procurement guidelines, providing distributors and end-users alike with a sustainable napkin option.
