Turning Heads
Everywhere They Go

Our family of dispensers is built for better hygiene, so that users and staff can all feel good.

Features & Benefits

Hygiene
Cascades PRO Tandem® dispensers are built for better hygiene with a seamless finish. No more crevices or dirt-attracting corners.

Reliability
Bring confidence to custodial staff, reduce complaints and maintenance time needed with a **99.9% jam-free*** line of hand towel dispensers.

Savings
Reduce paper waste with our stub roll function maximizing the use of each roll of paper. Reduce maintenance time with our Quick-Check Design, a clear center-strip and clear top allowing the custodial staff to get an instant view of paper levels.

Piece of mind
Faster maintenance with cleverly designed dispensers. The Quick-Check Design and Quick Load Technology help custodial/staff save time in their daily routine.

* A guest will get paper 99.9% of the time, either by pulling the paper or using the knob (without custodial support to open the dispenser).
