

# Bathroom/Kitchen Sanitizer

Safely and effectively sanitizes most hard, non-porous, inanimate surfaces without rinsing

## Features & Benefits

- Safe on virtually all surfaces
- Ideal for floors, walls, metal, stainless steel, porcelain, glazed ceramic tile, plastic, shower stalls, bathtubs and cabinets

## Usage Instructions

- Clean the surface that is to be sanitized
- Spray a fine mist onto the surface
- Allow solution to contact the surface at least 60 seconds
- Let dry. No rinsing required

## Caution

- Can cause eye irritation
- Wash exposed areas thoroughly after handling
- Dispose of contents/container in accordance with local regulation

## Product Code & Size

#65313-1     946 mL/32 US Fl. Oz.
