

Easy Fresh 2.0

The world's only air freshener dispenser where the cover is the air freshener

Powerful enough to freshen larger areas

The cover contains 2-3 times more fragrance than gels or metered aerosols. The motor driven fan moves air freshener further than a typical passive system, so you'll freshen larger areas.

Freshens consistently for 30 days

The smart chip controlled fan freshens consistently since it turns sparingly in week 1, and gradually turns more frequently until week 4 when it runs constantly.

Easy to use

Maintenance is simple with easy to use LED and audible reminders along with a push button cover for quick removal and replacement.

Fan turns sparingly in week 1, and turns more frequently until week 4 when the fan runs constantly.

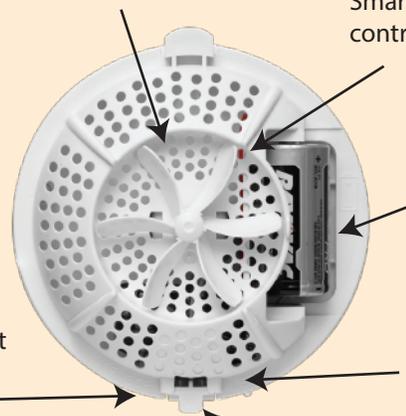

Smart Chip controls fan activation.

Audible Alert beeps every 3 1/2 minutes starting on day 33.

LED signals Green (ok) or Red (replace).

Light Sensor detects when the room is not in use to conserve battery life.

Push Tab makes it easy to remove the old cover.
