CG115

Singlefold Paper Towels

The one-at-a-time dispensing helps reduce waste and their 100% recycled fibres makes the towels an eco-friendly choice at an economic price. Each absorbent towel dries hands well. Ideal for a wide range of uses in educational, industrial, foodservice and retail establishments.

KEY FEATURES

- Sustainable and cost-wise solution.
- 100% recycled fibres.
- One-at-a-time dispensing to minimize waste and cross-contamination.
- Quick absorption.
