

Sequest® Laundry Degrease Special

Highly concentrated industrial strength detergent for grease removal in commercial laundry applications.

Features & Benefits

- Can be used in pre-spray and presoaking applications.
- Degreases articles that have significant grease and oil stains
- Ideal for degreasing chef's aprons and uniforms that require additional degreasing in the laundry process

Usage Instructions

1. Consult your Swish Professional for specific recommendations
2. Do not pour directly onto fabrics
3. Automatically dispenses into the washer through the appropriate Swish auto dispensing system
4. Replace containers when empty

Caution

- Dispose of contents/container in accordance with local regulation
