RABBIT-3 FLOOR MACHINE

The most versatile floor machine on the market!

RABBIT-3 PART# 2W22037

BENEFITS

- Eliminate splashing when stripping & cleaning
- Strip floors in up to half the time
- Clean baseboards with the Scrub Jay
- 18" cleaning path
- Easy-reach handle adjustment
- Detachable cable
- No dragging the cable to refill water tank
- Clean in confined spaces by downsizing to 13"
- Fits into compact cars with removable handle
- Cable protected from being run over by the machine

Easy-reach
handle
adjustment

RABBIT-3F PART# 2W22038

FEATURES

- 2 speed - 200RPM and 300RPM
- 1.5HP Soft Start D/C Motor
- Removeable Splashguard
- Detachable handle
- Detachable cable
- Motor brush wear indicator light
- Power indicator light
- Designed to accommodate weights

Flex hose
for baseboard
cleaning

Ordering a Rabbit-3 is as easy as ABC!

Basic Package A

PART# 2W22030

INCLUDES:
Rabbit-3
18" Drive Block

Complete Package B

PART# 2W22031

INCLUDES:
Rabbit-3F
Water Tank
18" Drive Block
13" Drive Block
Scrub Jay #3
40lb Weight

Stripping Package C

PART# 2W22032

INCLUDES:
Rabbit-3
18" Drive Block
2 x 40lb Weight

Made in Canada

(905) 475-5640

WORK FAST AND SMART

The weights are your biggest money makers when stripping floors!

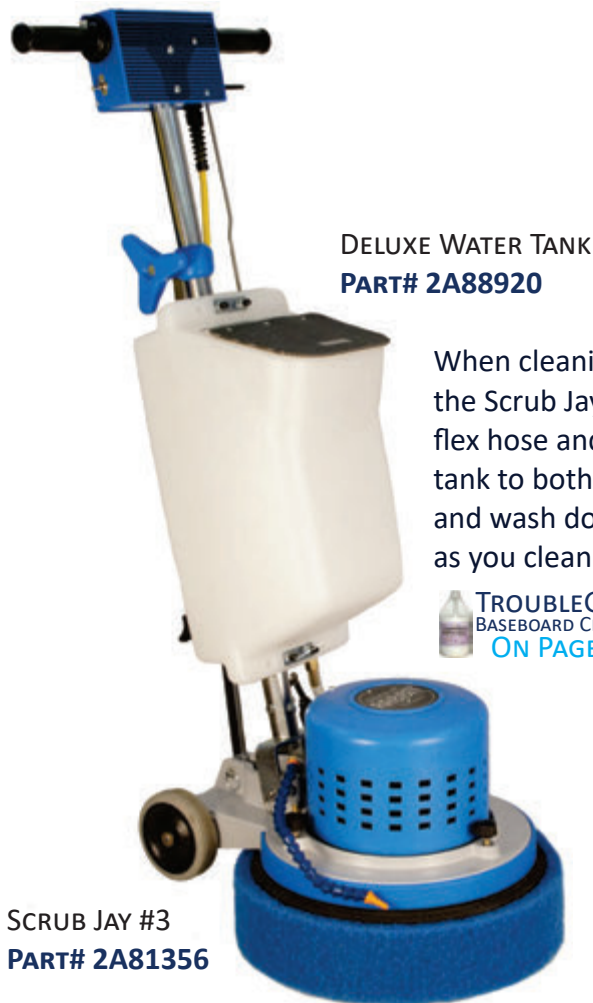

FOR A VIDEO PRESENTATION, VISIT:
WWW.CENTAURMACHINES.COM

USE THE SPLASHGUARD
and avoid splashing walls and furniture. When in the down position, the Splashguard will ride on the floor and prevent splashes.

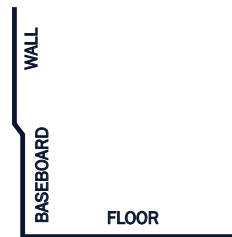

BASEBOARD CLEANING

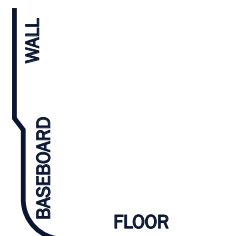

RABBIT-3F PART# 2W22038

Square Baseboard Cleaning

Cove Baseboard Cleaning

Tall Baseboard Cleaning

The Scrub Jay #4 fits onto the Scrub Jay #3. Together they will clean baseboard up to 8" tall.

Rabbit-3 Fits into Tight Places!

Downsize to 13" to fit in small areas

By removing the Splashguard and using a 13" drive block, you can use your Rabbit-3 in confined areas.

Detachable handle allows the Rabbit-3 to even fit into a Smart Car®!

Made in Canada

(905) 475-5640

INFO@CENTAURMACHINES.COM

RABBIT-8

The fastest carpet cleaner on the market!

RABBIT-8 PART# 2W22044

Benefits

- Advance spray carpet and clean carpet all in one step
- Wide coverage with adjustable spray nozzle
- Solution can also be directed down to bonnet driver
- Fingertip control of water flow via electric pump
- Less tripping of circuit breakers or fuses blowing
- Less waste of cleaning solution
- Carpets dry fast as the amount of solution is reduced
- Can be used for floor cleaning by changing the driver

Features

- Includes our no-spill Deluxe 15L (4gal) solution tank
- 40psi pump with selectable front or down spray
- Fully articulated front nozzle for 180° coverage
- 110V 175RPM 1.5HP Soft Start D/C Motor
- Fully assembled upon arrival
- Aluminum base
- Detachable 50' power cord and Splashguard
- Comes with an 18" Bonnet Drive Block.
- Accommodates 19" bonnets

RABBIT-8L

Work whenever you want, the Rabbit-8 will supply the light!

RABBIT-8L PART# 2W22045

With the brand new LED lighting system, the Rabbit-8L takes all the productivity of the highly acclaimed Rabbit-8 and adds a new completely waterproof LED lighting system.

With the Rabbit-8L you can clean carpet even in poor or no lighting!

STONECHAT

Heavy Duty Stone Grinder & Polisher

BENEFITS

- Requires only a 110V 15A outlet!
- 18" grinding path
- Grind/polish up to within 1/2" to the wall
- No splashing of slurry or dispersal of dust
- Stop tripping breakers by checking the ampmeter
- Reduced fatigue with the extra-wide handle
- Fingertip control of water flow
- Can be downsized to 13" to fit in small areas
- Detachable cable

FEATURES

- 110V 175RPM 1.5HP Soft Start DC Motor
- Internal circuit breaker
- Power & motor wear indicator lights
- Dustport for vacuum cleaner for safe dry grinding

STONECHAT-MINI

13" Short-Handle Countertop Machine

The Stonechat-Mini has the same power as its big brother. The shortened handle makes it the perfect solution for counters and tabletops. No need for back-breaking bending, the operator stands straight up.

STONECHAT-MINI PART# 2W220-9

Includes Weight, 13" Magpie, Flex Splashguard

If you already own a Stonechat, conversion to a Mini is as simple as replacing the handle!

CONVERSION KIT PART# 2C01700

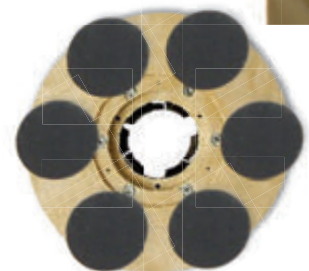

Consists of:

- Short handle with 50' cable
- Flex Splashguard 13"
- Magpie 13" with 6 cub discs

13" FLEX SPLASHGUARD

PART# 2E94026

13' MAGPIE PART# 2A81824

RABBIT ONE

RABBIT ONE BASIC PACKAGE PART# 2W22040

- Rabbit One Floor Machine
- 18" Trilok Drive Block
- 18" Splashguard

FEATURES

- Detachable handle for compact storage
- 1.5HP 175RPM A/C Motor

BENEFITS

- Eliminate splashing when stripping & cleaning
- Strip floors in up to half the time
- Fits into compact cars with removable handle
- Clean baseboards with the Scrub Jay
- Easy-reach handle adjustment
- Clean in confined spaces by downsizing to 13"
- No dragging the cable to refill water tank
- 18" cleaning path
- Cable protected from being run over by the machine

WOODPECKER

WOODPECKER PART# 2W220-2

BENEFITS

- Requires only a 110V 15A outlet!
- LED system provides consistent and even lighting
- 18" sanding path, and as close as 3/4" to the wall
- Use for wet or dry work
- No air-borne dust when used with a vacuum cleaner
- Eliminate tripping breakers by monitoring the ampmeter
- Reduce fatigue with the extra-wide handle
- Can be downsized to 13" to fit in small areas
- No tools required to replace detachable cable

FEATURES

- 110V 175RPM 1.5HP Soft Start D/C Motor
- Internal circuit breaker with ampmeter for monitoring
- Motor brush wear indicator light
- Power indicator light
- Completely waterproof LED lighting system
- Dustport for vacuum cleaner attachment

DURASHINE

18Hp Propane High Productivity Machine!

MADE IN
USA

The DuraShine machine runs as a light grinder, floor polisher, and burnisher all in one! Boost productivity while producing superiorly glossy floors. The DuraFlex plate and floating shroud provide unmatched performance on all floors.

The on-board 8 gallon water tank has an adjustable feed for wet polishing work. The shroud keeps both dust and slurry contained to keep the job site and air clean. The on-board vacuum system captures dust in a disposable vacuum bag. A vacuum port allows for an extra external vacuum system.

The machine is powered by an 18hp Kawasaki engine. Automotive-grade catalytic mufflers permits safe indoor use, while the EnviroGard system notifies the operator if the air ever approaches unsafe levels.

DURASHINE PROPANE POLISHER PART# 2W335

- Includes 27" FlexPlate

FLEXPLATE
DRIVER

SCRUB JAY

The most cost-effective way to clean baseboard!

The Scrub Jay Baseboard Cleaning System is the fastest way to clean the thousands of feet of baseboard, from square to cove and vinyl to marble. The Scrub Jay #4 fits onto the Scrub Jay #3 and together they will clean baseboard up to 8" tall.

SCRUB JAY #3 PART# 2A81356

SCRUB JAY #4 PART# 2A81358

Square Baseboard

Cove Baseboard

SCRUB JAY #3

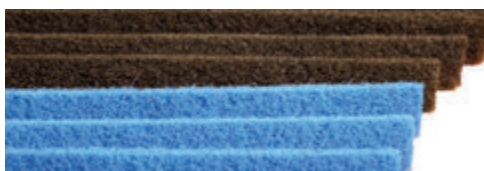

SCRUB JAYS

Save your fingers and use this wrench to loosen the centerlock, comes included with the Scrub Jay #3

**CENTERLOCK WRENCH
PART# 2A80203**

REPLACEMENT PAD STRIPS

Strips come 5/box. Black is more aggressive. 3" for Scrub Jay #3, 4" is for Scrub Jay #4 and cove baseboard cleaning with the Scrub Jay #3.

3" WIDE BLUE PART# **2A81212**
4" WIDE BLUE PART# **2A81218**

PART# **2A81223**
ASTRO STRIP 4" 800 GRIT
PART# **2A81224**

REPLACEMENT PADS

Pads come 5/box. Use these pads to strip the floor while cleaning the baseboard. Black pad is more aggressive.

PAD 17" BLUE PART# **2A81263**
PAD 17" BLACK PART# **2A81261**

DELUXE WATER TANK

Leak-free guaranteed!

FITS YOUR MACHINE

There are 2 lengths of handle, one for tanks that fit high up on machine handle, the second for one that fits low on the machine handle.

If you must reach down to adjust the handle

**DELUXE WATER TANK FOR
SHORT ADJUSTING BAR
PART# 2A88900**

If you adjust the handle standing upright

**DELUXE WATER TANK FOR
LONG ADJUSTING BAR
PART# 2A88920**

**DELUXE WATER TANK FOR
RABBIT-8 AND RABBIT-8L
PART# 2A88801**

ALWAYS WITHIN REACH

No more fumbling to find the handle. The handle will always be within reach of the operator's fingers due to the one piece design of the handle rod.

OUR TANK DOESN'T LEAK

When the machine is tipped back to change the drive block no solution will leave the top of the tank where the pull handle exits.

INTERNAL VALVE

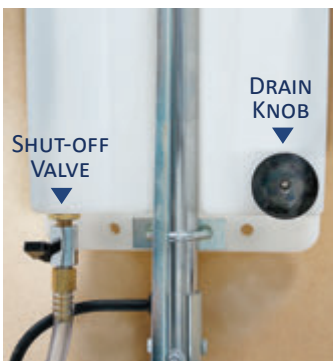

The Deluxe water tank has the valve assembly completely inside the tank to prevent it from catching on and damaging furniture.

ECONOMIC DESIGN

The washer inside the Deluxe water tank is the core of the pull valve. When it is pulled, liquid flows. When not in use the spring seals it firmly to prevent any liquid from flowing. When it wears out, it costs pennies to replace!

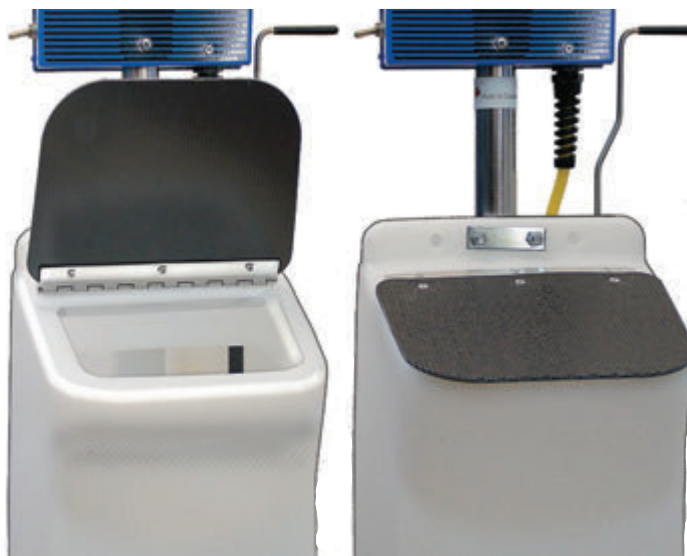

PRE-INSTALLED LID

The lid prevents liquid from splashing out of the tank on the operator. Opens and closes with the lift of a finger, and stays open for easy filling.

VALVE AND DRAIN PLUG

At the back of the tank is a shut-off valve and a drain plug. Use the shut-off valve to ensure that no liquid pours out even if you pull the handle. Use the drain plug to quickly and efficiently empty the water tank.

TYNEX BRUSHES

The silicon carbide impregnated nylon bristles ensure consistent scrubbing and stripping action throughout all stages of brush wear. Outlasts floor pads by a hundred times! Use wet. Available in four grits.

GENTLE SCRUB BRUSH

500GRIT

13" PART# **2A61367**
17" PART# **2A61767**
18" PART# **2A61867**

Minimal aggression brush for daily scrubbing of tiles, marble, terrazzo, epoxy, and wood floors.

SCRUB BRUSH

180GRIT

13" PART# **2A61366**
15" PART# **2A61566**
17" PART# **2A61766**
18" PART# **2A61866**
Excellent scrubbing brush for vinyl and ceramic tiles. Flexible enough for cleaning uneven surfaces and narrow grout.

STRIP BRUSH

80GRIT

13" PART# **2A61365**
15" PART# **2A61565**
17" PART# **2A61765**
18" PART# **2A61865**
The most popular aggressive brush for general scrubbing or stripping finishes from hard surfaces and wide grout.

SCARIFY BRUSH

46GRIT

13" PART# **2A61364**
18" PART# **2A61864**
The most aggressive brush with heavy gauge nylon with larger carbide for cleaning heavily soiled concrete floors.

6" TYNEX BRUSH

80GRIT

6"

6" Tynex brush for use with a hand grinder on stone and tile stairs. Use wet with a flexible splashguard.

TYNEX BRUSH PART# 2A60666

GROUT BRUSH

17"

TYNEX GROUT BRUSH/PAD 17"
PART# 2A71786

This block is both a brush for grout and a pad for surfaces. This combined scrubbing action produces superior results to standard brushes and pads for narrow grout lines and uneven surfaces. The grout brush is ideal for concrete, terrazzo, tile, and linoleum. Accepts 13" cleaning pads.

CARPET CLEANING

BONNET DRIVER

Tough nylon bristles reliably grip bonnets. Use the 18" driver for 19" bonnets.

13" DRIVER PART #2A81382

18" DRIVER PART #2A81982

TRILOCK DRIVER

One piece sturdy construction driver that can be used to hold both bonnets and pads.

18" DRIVER PART# 2A81944

MICROFIBRE BONNET

Extremely absorbent surface and core. Use both sides to do twice the work. Machine washable for easy cleaning.

FLEXPLATE

17"

27"

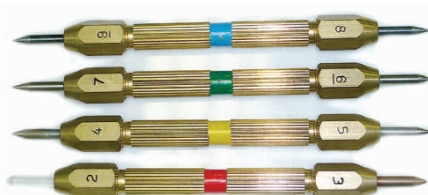

The flex plate has a flexible head that keeps the drive plate on the floor with each spring steel arm staying in constant contact with the floor. 17" Fits on any standard floor machine.

17" FLEX PLATE PART# 2C33007

MOHS HARDNESS TESTER

Determine the type of stone before you start your job!

The set consists of eight picks used to determine surface hardness. Points are made of plastic, copper, and steel based on their hardness. Muriatic Acid is included!

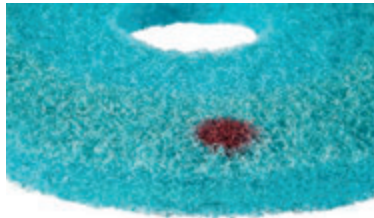

MOHS HARDNESS TESTER PART# 2C01000

ASTRO PADS

Diamond Impregnated Floor Pads

Hone and polish stone with your standard drive block! For use on swing machines, auto-scrubbers, and burnishers. Performs best on wet floor but can be used dry. Red dot wear indicators let you know when to change pads. Grit ranges from 400 to 6000. Sizes ranging from 5" to 27".

6000 grit available on request in all sizes (non-stock).

METAL DIAMONDS

Metal diamond cupwheels and gimlets are designed as a more aggressive alternative to polymer diamond discs. They are perfect for concrete grinding or glue removal.

Gimlet

Gimlets are the most aggressive diamonds we have with a heavy 16grit scratch pattern. For use on the aluminum magpie. Lasts 10000sqft. Gimlet PART# **2A82031**

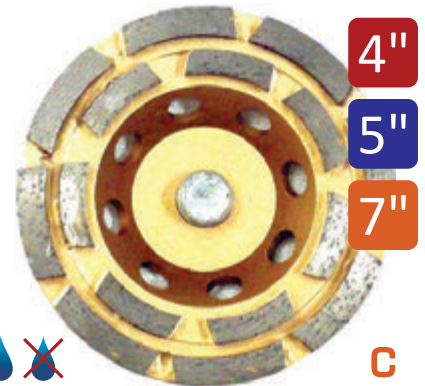

Aggressor

The Spiral Cupwheel has a very aggressive 30grit pattern. For magpies and hand grinders.

PART# 1B50000

FRONT MOUNT SQUEEGEE

Optional front mount squeegee system picks up water faster than a hose wand and is especially effective in tight spots. Bi-directional design allows for maneuvering right up to the wall and into corners, picking up in forward and reverse motions. Fits all Falcon vacuum cleaners.

26" FRONT MOUNT SQUEEGEE PART# 1B50010

POWER BRUSH 12" Wessel-Werk®

- Works on all carpets including *thick carpets*
- Five (5) level height-adjustment pedal. Never bend down to change the setting!
- Large orifice reduces chance of clogging.
- Telescopic wand with hidden wiring
- Lock handle for automatic shut-off
- Sculpted chevron brush moves dirt to the orifice, not to the back
- Glass-fibre reinforced belt
- Pivot and swivel neck
- Ergonomic handle
- LED headlight

VERSA TOOL

17"

VERSA 17" ALUMINUM TOOL PART# **1B55500**

VERSA FRONT BRUSH PART# **1B55512**

VERSA REAR BRUSH PART# **1B55511**

VERSA SQUEEGEE BLADE SET PART# **1B55513**

The heavy-duty Versa Tool employs removable bristle brushes for cleaning carpets and can be easily swapped to rubber blades for water extraction without any additional tools. A plastic bumper protects furniture from damage against the durable aluminum body. The locking mechanism is easy to use, and individual replacement parts are available if repair is ever needed.

LIQUID PICK-UP TOOLS

16"

The Dial-A-Job is the most versatile among the floor tools. The adjustable height blade allows the operator to pick-up water from a hard surface with equal ease and efficiency. The two end-wheels allow for easy manoeuvrability, while the 16" width ensures large area coverage in the shortest time possible.

DIAL-A-JOB 16" ALUMINUM TOOL PART# **1B55540**

REPLACEMENT BRUSH PAIR PART# **1B55541**

14"

This light-weight, sturdy squeegee is the most efficient tool for water pick-up for smooth or concrete floors. It slides along freely without losing any of its extraction capacity. Replaceable blades are dual thickness for a combination of rigidity and for high contact area.

14" PLASTIC RUBBER SQUEEGEE PART# **1B50100**

REPLACEMENT BLADES PART# **1B50102**

14"

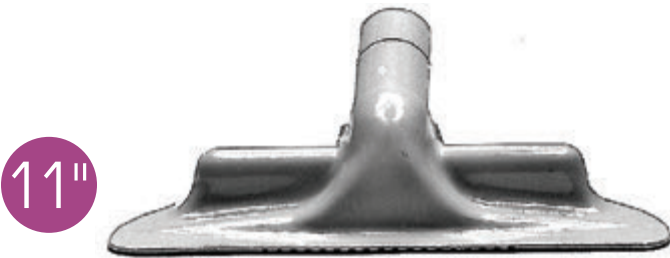

The felt tool takes the worry out of cleaning polished floors. The replaceable felt blades protect the shine while the dust is being removed in a fast and efficient manner. The thickness of the felt ensures it doesn't collapse under heavy use. Open ends ensure constant airflow for water extraction.

14" PLASTIC FELT TOOL PART# **1B51200**

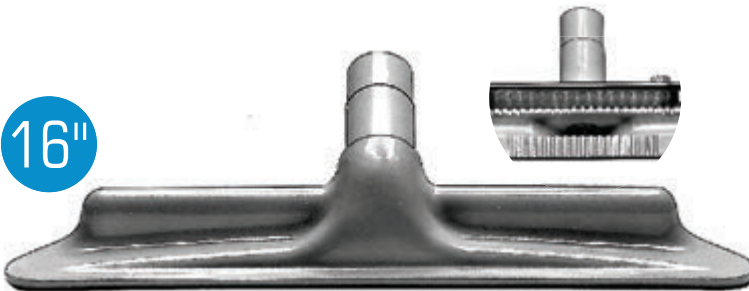

REPLACEMENT FELT PART# **1B51202**

CARPET CLEANING TOOLS

The design of these carpet tools proved to be so efficient that it has remained unchanged since the first day Centaur sold one, and still proves to be the most popular tool today. It is equipped with an adjustable-height nylon brush to accommodate different piles of carpet and rid them of any lingering lint.

11" PLASTIC BRUSH CARPET TOOL PART# **1B51000**
REPLACEMENT BRUSH PART# **1B51001**

16" PLASTIC BRUSH CARPET TOOL PART# **1B50900**
REPLACEMENT BRUSH PART# **1B50901**

This carpet tool is equipped with a brush that can be easily replaced. This tool moves smoothly over a carpet.

14" CARPET TOOL PART# **1B50800**
14" REPLACEMENT BRUSH PART# **1B50800**

This simple yet effective carpet tool is a dependable helper to any cleaner. It will pick-up water from the carpet with speed and efficiency. Let the job be in an office, school, or hospital, this tool is the ideal size to move around without bumping into everything and still efficiently remove water.

14" PLASTIC SMOOTH CARPET TOOL PART# **1B50200**

The slotted carpet tool is especially designed to lighten the job of carpet cleaning. The slender length of this tool will help the cleaner to cover wide areas at one time with ease, while the wrap-around bumper protects the furniture from marks. Economically priced to fit any budget.

14" PLASTIC SLOTTED CARPET TOOL PART# **1B50300**

SMOOTH SURFACE TOOLS

14"

This solidly built floor brush is the ideal tool to use on hard surfaces. Made of durable ABS plastic with Tampico bristles. If there is a need for a clean sweep of any job, this is the tool to use.

14" PLASTIC TAMPICO BRISTLE TOOL PART# **1B50400**
REPLACEMENT TAMPICO BRUSH PART# **1B50401**

14" PLASTIC HORSEHAIR BRISTLE TOOL PART# **1B50450**
REPLACEMENT HORSEHAIR BRUSH PART# **1B50451**

11"

This heavy-duty cast aluminum horsehair brush offers an indefinite lifespan with the replacement brush and superior pick-up volume due to its large orifice. A rubber bumper protects furniture and walls from damage.

11" HORSEHAIR ALUMINUM BRUSH PART# **1B54600**
REPLACEMENT BRUSH PART# **1B54601**

12"

This ever hungry gulper tool swallows large objects or large volumes of debris. It is made out of cast aluminum with a rivetted steel hose end. This is a great tool for construction clean-up.

12" ALUMINUM GULPER TOOL PART# **1B54500**

20"

With this massive 20" floor brush, you can get great cleaning results in even less time. The brush is slotted at the front to better channel airflow and a blue rubber bumper to protect walls and furniture against damage.

20" NYLON FLOOR BRUSH PART# **1B50500**

CREVICE TOOLS

17"

17" PLASTIC CREVICE TOOL PART# **1B53000**

11"

11" PLASTIC CREVICE TOOL PART# **1B50700**

Crevice tools are the most efficient aids in cleaning narrow or difficult-to-reach areas. These light, economically-priced tools will ease back-strain by practically eliminating bending and stretching to get the job done. Made of durable plastic.

27"

27" STEEL CREVICE TOOL PART# **1B53200**

15"

15" STEEL CREVICE TOOL PART# **1B53100**

With up to 27" in length, no crevice is too deep for these crevice tools. These attractive plated tools are money savers. Constructed of steel, they are practically indestructable, making them the last crevice tools you will ever need to buy.

DUSTING BRUSHES

7"

7" FLAT BRUSH TOOL PART# **1B51300**
REPLACEMENT BRUSH PART# **1B51301**

This small but effective brush is perfect for cleaning furniture and other areas requiring a delicate touch and the efficiency of a wider tool.

2"

2" PLASTIC BRUSH PART# **1B50600**
1.5" ADAPTOR PART# **1B50602**

This small brush is an essential tool for every cleaner's arsenal. Use it to clean complex surfaces like trimmings and baseboards.

3"

3" ALUMINUM BRUSH PART# **1B53600**
REPLACEMENT BRUSH PART# **1B53601**

This sturdy cast aluminum brush uses natural bristles for a soft clean. A plastic bumper protects furniture from damage.

5"

5" ALUMINUM BRUSH PART# **1B53700**
REPLACEMENT BRUSH PART# **1B53701**

This large cast aluminum brush uses natural bristles and a wide orifice. A plastic bumper protects furniture from damage.

PIPE TOOLS

1"-3" ALUMINUM TOOL PART# **1B54100**
5"-6" ALUMINUM TOOL PART# **1B54200**
6"+ ALUMINUM TOOL PART# **1B54300**

These tools are designed for tough jobs removing dust from pipes and other hard to reach places. Use them with telescopic wands and a 45° goose neck to reach pipe up to 20' in height!
This is a great money maker!

1"-3" PLASTIC TOOL PART# **1B54310**
4" PLASTIC TOOL PART# **1B54305**

SIDEWINDER TOOLS

REVOLUTIONARY TIME-SAVING VACUUM CLEANER TOOLS

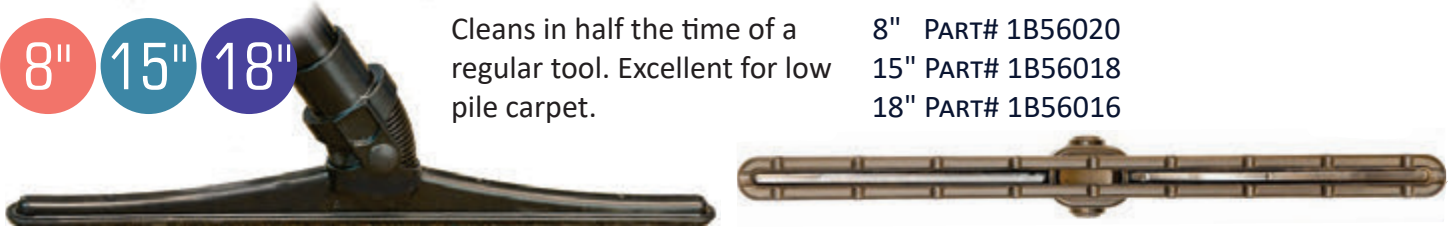

Sidewinder tools are designed to use in a side to side sweeping motion similar to swing machines rather than the traditional back and forward motion. This allows you to clean carpets and floors in **half the time**. Additionally, the sweeping motion is a more natural movement, decreasing the user's fatigue. These swivelling tools are also able to fit in narrow and low spaces and are ideal for easy overhead cleaning. All are friction fit, but can be adapted to function with standard twist-lock wands using a coupler.

Carpet Tool

8" 15" 18"

Cleans in half the time of a regular tool. Excellent for low pile carpet.

THINK TALL

1X TELESCOPIC WAND 2X TELESCOPIC WAND 3X TELESCOPIC WAND

When you are just a little bit too far from the wall or ceiling, use the 18" extension instead of another wand.

Use the 45° goose neck for pipe cleaning, tall walls, and far ceilings. The slight curve allows you to clean at an angle for better visibility and effectiveness.

Use the 130° goose neck to reach deep over ledge or shelf, and save yourself the trouble and danger climbing a ladder.

Ceiling Cleaning

Overhead Cleaning

Cleaning vents and air ducts is easy with these tools. The telescopic wand plugs in directly to all Sidewinder tools.

The telescopic wand in combination the 130° goose neck and Sidewinder tools makes cleaning vents, air ducts, and over surfaces easy.

1 1/2" WANDS

DOUBLE CURVED ALUMINUM 'S' WAND

PART# 1B50000

The go-to wand for all standard floor tools. Lightweight aluminum construction with a heavy-duty tool coupler and a ribbed top for a secure hose connection. 54" long and weighs one and a half pounds.

45" TO 60" TELESCOPIC ALUMINUM WAND KIT WITH ADAPTOR AND T-GRIP

Designed for Sidewinder Tools!

STONE POLISHING

PC Paste

5LB PART# 2C01252

10LB PART# 2C01250

25LB PART# 2C01251

High-Shine, Non-Corrosive Formula!

PC-Paste is our premier water-soluble marble polishing paste. While the best polishing results can be achieved by polishing higher than 3000grit, polishing paste will give the floor a nice shine when used only after 800grit.

- User friendly non-corrosive formula limits splash etching and other issues found with most other polishing products
- Highly effective on limestone, travertine, onyx, marble, and terrazzo

PC-Paste comes ready to use. Use a putty knife to spread the paste on a white floor pad, and apply on low speed (200rpm) with one (1) 40lb horseshoe weight. Add water during application to ensure consistent spread. Vacuum off and rinse the floor well when finished. Use new white pad to wipe haze from floor.

StonelincPC

2.5KG PART# 8A10051

10KG PART# 8A10050

StonelincPC is a time-proven water soluble polishing powder. While the best polishing results can be achieved by polishing higher than 3000grit, polishing paste will give the floor a nice shine when used only after 800grit.

- Economic, concentrated, high-coverage formula
- Highly effective on limestone, travertine, onyx, marble, and terrazzo

Mix StonelincPC with water until toothpaste consistency. Use a putty knife to spread the paste on a white floor pad, and apply on low speed (200rpm) with one (1) 40lb horseshoe weight. Add water during application to ensure consistent spread. Vacuum off and rinse the floor well when finished. Use a new white pad to wipe haze from floor.

GP Cream

4LITER PART# 2C01151

GP CREAM is a special polishing cream for granite engineered quartz, ceramic and glass. GP CREAM can uniformly penetrate into the gaps of molecules and then solidify into a high-strength, rigid, transparent protective layer, just like forming a crystal shield on the surface of the polished tiles. It enjoys powerful properties against dust, acid/alkali, washing, scratches and stain, and excellent cleaning performance.

After treatment with GP CREAM the surface will present a high gloss finish, resistant to ink, juice and general alkali and acid detergents.

MARBLE POLISHING SEMINAR

Who comes to these seminars

- Jan-San Dealers to gain knowledge and serve their customers
- Carpet Cleaners & Janitors who wish to obtain more work from their existing customers
- Hospital Maintenance Crew to know what to do with the stone floors and cove baseboards
- School Custodians to gain knowledge how to maintain terrazzo floors and cove baseboard
- Home Owners who wish to maintain their own marble, travertine floors or stone counter tops
- Hardware Store Managers to gain knowledge as to which products to suggest to their customer

Contact us for the Dates

The (1) day course is held in our factory at 103 Denison St. Markham, ON, Canada (This is our 11th teaching year)

The seminar consists of 3 hours in classroom and continues with hands-on training. Be prepared to “get dirty” You’ll have the opportunity to work with machines, diamonds and ASTRO pads - a true hands-on experience that

will give you a feel for the business of restoring and polishing.

During this powerful training seminar you will LEARN practical skills

- Identify the marble, granite, travertine, limestone and terrazzo (during the morning theory session)
- Restore worn, scratched dull floors (during the afternoon hands-on training)
- Maintain these floors with hard diamonds & with the new Astro pads
- Enhance stone’s colour and seal the surface
- Restore marble counter top and vanity top
- Types of diamonds to use and in what sequence to achieve your goal
- To save money maintaining terrazzo floors using the new technology - the Astro pads
- How to clean standard baseboards and hone curved terrazzo baseboards with the Scrub Jay

Take away: a comprehensive manual and Certificate as a Marble, Terrazzo Restorer

Training will start at 8:30 am sharp and finish around 5:00 pm. Free lunch will be provided. Bring your camera with you.

Maximum number of participant is 9 people. The cost of the seminar is \$500 per person. (plus taxes).

Note

Reserve your seat with a \$100.00 deposit. You may cancel and have your money refund or deferred, if you do it no less than 10 business days before seminar date. We accept cash, cheques or credit cards.

Your instructors are: *Antony Lelkes and Maureen O’Dea*

CUSTOMER PROTECTION WARRANTY

Centaur warrants all new product to be free from defects in materials and workmanship under normal use in the following manner. The warranty begins when the machine is purchased by the end user. The warranty shall not apply to or cover wear and tear, mechanical alteration, neglect, loss of parts or abuse. Manufacturer obligation under this warranty being limited to repair or replace parts without charge at our factory or at authorized service depot. The customer is obligated to return the machine freight prepaid and accept collect freight charges when the machine is returned. Centaur will not be liable for any other damages, including, but not limited to, indirect or consequential damages arising from performance or inability to use the machine.

Floor Machines - Rabbit-3, Stonechat, Rabbit-8, Rabbit-8L, Rocky.

1. One (1) year warranty for parts and labour (bumper to bumper) Cable warranty voided when cable is incorrectly wrapped.
2. Two (2) years warranty for motor and gearbox. Except motor armature, its coupler to the gearbox & gearbox pinion gear which are covered for one year.
3. Ten (10) years warranty for motor base & shroud, splash guard, switch box shell against cracks.

Vacuum cleaners - SL-series, Falcon-series, Silento.

1. One (1) year warranty for parts and labour.
2. Ten (10) years warranty for vacuum tanks & motor housing against cracks.

Repair warranty

1. Parts replaced under warranty are dated back to purchase date.
2. New motors warranted for one year.
3. Other parts and labour warranted for 30 days.

Centaur garantit que tous ses produits neufs sont exempts de défauts de matériel et de main-d’œuvre dans des conditions normales d’utilisation et selon les modalités décrites ci-après. La garantie entre en vigueur à la date d’achat de la machine par son utilisateur final. La couverture de la garantie ne s’applique pas aux dommages causés par l’usure, la détérioration mécanique, la négligence, la perte de pièces ou un usage abusif. La garantie du fabricant est limitée à la réparation ou au remplacement des pièces défectueuses, sans frais, à l’usine du fabricant ou dans un atelier de réparation autorisé. Le client doit expédier la machine en payant d’avance le prix du transport et il doit acquitter les frais de transport lorsque la machine lui est retournée. Centaur ne sera responsable d’aucuns autres dommages, y compris, mais non de façon limitative, les dommages indirects ou consécutifs liés à l’utilisation de la machine ou à une incapacité à l’utiliser.

Machines à nettoyer les planchers - Rabbit-3, Stonechat, Rabbit-8, Rabbit-8L, Rocky.

1. Garantie d’un an sur les pièces et la main-d’œuvre (pare-chocs à pare-chocs). La garantie sur le câble a également une durée d’un an, sauf si le câble est tordu parce qu’il n’a pas été enroulé correctement. Voir le guide d’utilisation pour savoir comment enrouler le câble.
2. Garantie de deux ans sur le moteur et la boîte de vitesses, à l’exception de l’induit du moteur, de son dispositif d’accouplement à la boîte de vitesses et du pignon de la boîte de vitesses qui sont couverts par une garantie d’un an.
3. Garantie de dix ans contre la fissuration de la base et de l’enveloppe de protection du moteur, du pare-éclaboussures et du boîtier de l’interrupteur installé sur le manche.

Aspirateurs – modèles SL, modèles Falcon, et Silento

1. Garantie d’un (1) ans pour les pièces et la main-d’œuvre.
2. Garantie de dix (10) ans contre les fissures ou brisures de la citerne à dépression et coquille de moteur.

GARANTIE associée aux réparations

1. Les pièces remplacées en vertu de la garantie portent la date d’achat de la machine.
2. Les nouveaux moteurs achetés sont garantis un an.
3. Les autres pièces et la main-d’œuvre sont garanties 30 jours.
